SUMMARY

I am disciplined and enthusiastic young man with expertise in web development and computer technology. My professionalism and commitment to staying up-to-date with the latest trends and technologies, make me a valuable asset to any team. I am eager to take on new challenges and opportunities to further develop my skills and contribute to the success of your organization.

EXPERIENCE

Media Team Leader

Dekna Foundation

📅 03/2022   📍 Netherland

Dekina is an international non-profit organization working to ensure the children of Tigray have access to basic needs, education, mental health counseling, and medical care. And my role in this foundation is:

- I research, write, proofread, and edit all media content, implement and manage media campaigns, and deliver public relations and communications plans
- Hosting online events like twitter spaces and also in other media platforms to get more volunteers and donors

Owner and Computer Technician

FH Computer Solutions

📅 01/2018 - 03/2020   📍 Addis Ababa Ethiopia

FH Computer Solutions is technology company offering comprehensive IT solutions to businesses. Through our expertise, dedication, and commitment to customer satisfaction, we enable our clients to thrive in the digital age and achieve their full potential.

- Installed, maintained, and repaired software and hardware systems for clients
- Conducted diagnostic tests and troubleshooted software and hardware issues
- Configured and installed software programs and operating systems
- Provided technical support to clients via phone, email, and in-person
- Documented client issues and resolutions in a ticketing system
- Conducted training sessions for clients on computer hardware and software usage
- Conducted regular maintenance and upgrades of systems and equipment
